Arizona Department of Agriculture Operations Up-date **03-31-2020**

Following the Governors Executive Order of 03-30-2020 we are making the following changes to operations at AZDA.

1. The front doors at the Phoenix Office will be closed. For all walk in traffic there will be a number posted on the front door for folks to call. When the call comes into our office a staff member will come to the front door and take care of the customer.
2. If a customer needs to come to the Phoenix office we would encourage them to call and make an appointment. (See Phone numbers below)
3. We would encourage our customers to phone the office or do as much work as you can on-line with the departments web site.
4. The Tucson, Nogales and Yuma offices will remain open. We would expect our customers to practice proper social distancing.
5. This change in operations will last at least through the end of April if not longer depending upon the Covid-19 Illness pandemic.

Phone numbers to call for each Division are as follows:

ACT: 602-542-0137

ASD: 602-542-6407
