

Veggie/Fruit Riddles

Directions: Read the below riddles to your student(s) and have them guess the correct fruit or vegetable the riddles are referring to.

I am long and orange. I grow underground.
I am the root of the plant... **Carrot**

I am red and grow on a vine. Because I have seeds, I am a fruit, but some people still think I'm a vegetable... **Tomato**

I am a bulb that might make you cry... **Onion**

I grow in rows. I hide in a husk. I can be eaten
by animals or people. You eat my seeds.
I am sometimes called an ear of... **Corn**

I am tall and green. I am the long stalk of the plant.
Usually you cut off my top when you eat me.
Some people like to put peanut butter on me... **Celery**

I am a magical fruit that sometimes make you toot.... **Beans**

I am green. I am the leaf of the plant and I make up most salads.... **Lettuce**

I grow underground. I am a tuber (an underground stem).
I can be made into French fries... **Potato**

I am the seed of the plant. I grow in a pod....**Peas**

I am the root of the plant. I am a dark red color.
You usually put me in a salad...**Beets**

You eat my stem and flower. I am green.
I look like a little tree... **Broccoli**

You eat the flower of this plant. I come in lots
of different colors; orange, green, and purple...
though you might think of me as always being white.
The word flower is in my name... **Cauliflower**
