

Are you looking for a fun and rewarding experience, while making some extra cash helping your County Farm Bureau?

The purpose of this position is to create content that goes on Yavapai County Farm Bureau social media pages at least twice each week. This includes informative memes about local and state agriculture, highlights of county happenings, feature photos/captions/stories about Yavapai County Farm Bureau Members and other engaging agriculture-based content.

Applicants should:

- Be proficient in helping manage a variety of social media channels (Facebook, Instagram, Twitter, Pinterest and others)
- Be comfortable working with various publics especially farmers and ranchers and Arizona consumers (our key stakeholders)
- Be self-motivated
- Be organized with a strong work ethic to manage content requirements on the Yavapai County Farm Bureau Instagram and Facebook pages.
- Be available to periodically to attend County Farm Bureau meetings when their schedule permits, in order to provide updates and get feedback and plan upcoming items to be posted
- Be available to work 20 hours max each month. You can set flexible hours around your work/school schedule, even working weekends if you wish. And each month your 20 hours can be shifted to different times based on your schedules
- Be available for periodic evening and weekend activities if scheduled in the county. You will be given a Program of Work for the year in the county to calendar dates and locations of events (these situations are rare)

The position will:

- Be compensated at a rate of \$20 per hour for 5 hours/week. (\$400/month or \$4,800/annually)
- Begin work immediately and continue until mutually agreed upon time.
