

ELIGIBILITY REQUIREMENTS:

1. This scholarship is open to graduating high school seniors residing in Yuma County who plan to attend a school of higher learning, junior college or university, or trade or vocational school in or out of the state of Arizona.
2. Applicant must be pursuing his or her education in a field relating to agriculture or a field that will promote or benefit the agriculture industry.
3. Applicant must have a final academic grade average of 3.0 or better.

APPLICATION REQUIREMENTS:

1. Applicant must submit a current resumé which includes the following:
 - Name, address and phone number
 - College/university or trade school you are expecting to attend and major field of study
 - High School activities
 - Community service activities
 - Work experience
2. The application must have 3 letters of recommendation from non-relatives with not more than 2 from school personnel.
3. The application must have a transcript of scholastic grades earned during the past four years and certification of 3.0 G.P.A. and class rank.
4. The applicant must submit an essay of no fewer than 500 words explaining the applicant's educational objectives, their future in agriculture or how their educational objectives will positively affect the agricultural industry. The essay should also address the applicant's views on the strengths of agriculture today and how future agriculturalists will continue to provide food and fiber for our growing population.
5. A signed and dated Privacy Consent Form must be submitted with application.
6. Photo of applicant.

The Scholarship Committee may request an interview with the applicant. Any questions concerning this scholarship may be addressed to: Mr. David Sharp (928) 941-1738.

This completed application must be postmarked no later than **May 1, 2017** and be mailed to:
