What is the Racin' for the Bacon for Ag Education Virtual 5K?

This event is a great opportunity to get outside and be active while supporting ag education through the Arizona Farm Bureau Educational Farming Company. You don't have to gather for race day (unless you want to gather with friends); just get outside and travel 3.1 miles any way you want in support of ag education!

Contests

Take a picture and post online with **#racinforthebacon** to be entered for prizes in our **Arizona U-Pick Contest** highlighting the best dressed and most creative 3.1-mile activity. Participate in our **Map My Run Route Contest** and complete your 3.1 in an ag centric design. We will even select lucky winners from those who simply post a photo of them completing their activity in their race shirt! Ready for some coloring? Have your kiddos participate in the **Color My Race Bib Contest** for a chance for some great prizes as well!

Swag Bags

Every participant will receive a race shirt. This is not just any race shirt! At registration you can pick from one of 6 slogans for your race shirt. Your registration will also earn you a one-of-a-kind race medal. And let's not forget all the amazing swag!

Swag bags will be available for pick-up prior to race day at locations to be disclosed later. Won't be able to pick-up your bag? No worries. We will mail it to you!
